January 12, 2021

## Dear Parents and Guardians,

As communicated in the Sudbury Catholic School Board's re-opening plan, students are allowed to switch from 'face-to-face' to 'remote learning' or from 'remote learning' to 'face-to-face' only at certain times during this school year. The next and final opportunity to make this change is on **February 8, 2021**.

Should you wish for your child(ren) to switch from one mode of learning to another on February 8, 2021, **you must call the school directly at (705) 470-5123 to let us know by Tuesday, January 19, 2021**. This is a very important deadline. Please do not communicate a request for a change by e-mail, as your message may not be received. If we do not hear from you by January 19, 2021, *we assume that you do not want to switch on February 8*.

Unfortunately, we cannot answer your questions about class sizes as we do not know what those numbers will be until all parents have made their decision and if a reorganization of our school will be required. If you choose "face-to-face" learning, you must understand that your child could be placed in a classroom with 20 or more students, depending on the demand and the space available in each classroom. Note that the movement from one learning modality to another might be delayed in some cases due to the impact it may have on staffing.

Also, please note that face coverings (masks) are mandatory for all students from JK-6 both in the school and on school buses.

We appreciate your patience and understanding as we navigate these unprecedented times.

Warmest Regards,
