September 2021

## Dear Parents and Guardians,

We are pleased to continue to offer Pizza, Milk and Popcorn orders that can be placed online. Pizza will be sold every **Thursday this year**. Milk will be sold Monday to Friday and Popcorn will be sold on Wednesdays. In addition to these sales, we will continue with our Frozen Yogurt Program and will advise you when it is available.

Pizza, milk and popcorn orders can only be placed using our CashOnline system. Please register your child for CashOnline at: <https://sudburycatholicschools.schoolcashonline.com/>

This payment system is secure. We encourage the use of this system as it limits the amount of money entering the school. If you have not already done so, please make sure to register your child. Your child's teacher can provide you with their OEN # for registration.

Please Note: There are 3 payment options available online: Credit Card, Debit/Credit Card, and Cheque. If you wish to participate in our food programs, make sure to have one of these means of payments in place. Unfortunately, paper order forms and/or late orders will not be accepted. You will have the option to order items by the month or several months at a time, whichever works best for you.

**Check this out!** The Wallet is a fantastic feature that allows you to put money aside to be used at a later date, without having to re-enter your credit card or cheque information every time. Many parents like this feature. Remember, the wallet holds the money aside for you, but you must still make specific purchases to use up funds in the wallet.

**MOST IMPORTANT:** Check off the box from KEV that allows you to receive email notifications. THIS IS NOT SPAM. When an item becomes available to purchase you will receive an email. When a deadline is approaching you will also receive a reminder email. This means you will not have to keep checking your child's profile as the system will notify you automatically. If you choose not to purchase an item, it will automatically disappear once the deadline has been reached.

Please call the school if you have any questions. Office staff is available to support you in quickly and easily using the CashOnline system. Thank you for participating in this more efficient and accurate method of ordering food items for your child/ren.

Sincerely,

  
Laurie Zahra  
Principal

  
Tina Timpano  
Vice-Principal
